**Events for
curious minds.**

Find your edge.

Disruption rarely originates from the mind of the disrupted. Engaging other interesting people, who can stretch your thinking and challenge your perspective is essential for personal and professional success.

This monthly event series has been designed to give astute leaders like you, the time and space to find your edge.

A man with a beard and glasses, wearing a purple polo shirt, and a woman with blonde hair and glasses, wearing a patterned blouse, are sitting at a table. They are both smiling and looking at a laptop screen. The man is pointing at the screen with his right hand. The woman is looking at the screen with a happy expression. The background is a blurred indoor setting.
